Middle School Summer Reading Pre-Advanced Placement 6th Grade English 2017

Dear Parents of ECISD English Pre-AP students,

As this school year comes to a close, the middle school English teachers here in the Edinburg C.I.S.D. would like to let you know that we have your child's education in mind when we make decisions about summer reading assignments. We understand how important it is for students to develop a love of reading as part of their intellectual growth and future success.

We have high expectations for all our students, but especially for our pre-AP students. Pre-AP classes help prepare students for the rigorous, yet rewarding academic challenges they will face when they enter high school and, later, college. Students need to develop a sense of responsibility and dedication to work to ensure their success—now and for the future.

In order to help develop your child's independent reading skills and critical thinking skills, we require all 6th grade pre-AP, 7th grade pre-AP, and 8th grade English I pre-AP students to read an assigned novel during the summer months. Students will also be required to complete an assignment over their reading and will be assessed over the novel through tests, essays, and class activities at the beginning of the school year.

All students registered for 6th grade English pre-AP, 7th grade English pre-AP, and (8th grade) English I pre-AP for the 2017-2018 school year MUST read the assigned novel and complete the corresponding assignment during the summer.

The Summer Reading Assignment is due by the end of the second week of school on September 4, 2017, followed by an exam on September 5, 2017.

Thank you,

ECISD Middle School Pre-AP English teachers

Creating a Diorama
For
"The White Giraffe"
By: Lauren St. John

Choose an event from *The White Giraffe* that portrays a conflict found in the story. Then build your diorama. Before you create your project this is a list of the supplies that you might need so you are organized and ready to go.

Possible Supplies: Shoe box or slightly larger box, construction paper on which to design background scene, scissors, markers and or crayons, figures to recreate the scene, tape, thread, glue.

Diorama: "A life-size, 3-dimensional scene of a conflict found in *The White Giraffe* "

HOW TO MAKE A DIORAMA

1. **Find a box** at least as big as a shoe box-a slightly larger box works even better. Cover the outside of the box with construction paper.
2. **Decide on a scale.** This is key, because a diorama becomes believable to the extent that it looks "real." If you've got a focus (a Barbie doll, a particular plastic animal), use that scale.
3. **Collect your materials-** human and/or animal figures, palm trees or miniature furniture, or anything for an interior scene.
4. **Decide on a background-** you can paint or draw your own or use wallpaper or wrapping paper (or anything else you can find). Remember, though that the background images should be consistent with the scale you have chosen. **Decorate the Walls:** Most every diorama has three walls or views, a ceiling or sky and a floor, ground or base. You need to decorate these inside walls first. There are lots of ways to do this. You can paint them or color them with markers, crayons or paint. You can measure them, cut construction or other paper to fit on them, and glue that on. Or you can go to your computer and design something to look more realistic.
5. **Build your diorama working from the back to the front-** start with the background (don't forget the sky/ceiling and ground/floor). Then place large objects such as trees. The smallest objects should go farthest forward. Use glue to secure the objects. Objects such as birds, clouds, balloons, and airplanes can be hung from the top using black thread. Tape or tie the thread to the object and to the box.
6. **Attach a title** to the box where it can easily be seen.
