

Eduphoria Aware- Teacher Guide for Class Roster Breakdown

1. Login to Eduphoria Aware
2. Use your login and password (should be computer username & password)
 ie... t.teacher@ecisd.us
3. Select Aware
4. On the Analyze tab, you will see “My Students and Classes”
5. You can see the historical test data of each student, per class or you may select “All Students”
3. Selecting each class, click on “TAKS” tests
4. Select the subject area most related to your content
5. Select “2011”
6. Select the grade your students tested in 2010-2011
7. Select “April 2011”
8. At this point, all of your students will come out in alphabetical order with their respective test score
9. Make sure you click the “where they are” green button
10. Click “Color Results”

To view **color coding**, click the Color Coding icon in the upper left corner.

The data will be color coded according to the following scale:

90-100 = green >2400 = green

80-89 = yellow 2399-2201 = yellow

76-79= orange 2200-2100 = orange

<76 = red <2100 = red

15. After you have color coded, click “Export to Excel”
16. Your data will appear color coded, per class
17. Save your data on your desktop in a folder called, “My Class Rosters”
